

**DIRECTOR, INFORMATION TECHNOLOGY**  
**MAINE STATE LEGISLATURE**  
Augusta, Maine

The Maine Legislative Council is seeking qualified applicants for the position of **DIRECTOR** of Legislative Information Technology. This is a full-time, nonpartisan, senior management position of the Legislative Council. The position is responsible for the operation and support of computer and other technology systems including the design and implementation of software applications that support the legislative process and the operations of legislative offices. The director plans, directs and manages a wide range of professional and technical information technology services for the Legislature, including but not limited to voice and data computer and networking services, applications development and maintenance, desktop support, and data security and backup.

The director is appointed by the Legislative Council and works under the direction of the executive director to develop and strengthen overall policies and procedures dealing with the administration of the legislature and the accomplishment of legislative work. The director performs a broad range of highly complex managerial and administrative duties often including the handling and management of confidential information, exhibits high professional and ethical standards and works in a nonpartisan manner in carrying out the responsibilities of the office.

**Desired Minimum Qualifications:** Advanced degree in computer science or information technology management or equivalent plus at least 6 years of demonstrated effective management experience, preferably in information technology. An advanced degree in related field, with extensive, relevant managerial experience in information technology may be substituted, or an equivalent combination of education and related management experience.

**Salary and Benefits:** Current salary range is \$77,396-\$117,374. The value of State-paid health and dental insurance is currently \$322.33 biweekly. The value of State's share of retirement is currently 12.22% of employee's gross pay. EEO Employer.

Applicants should submit a letter of application, resume and supplemental qualifications form by close of business on **FRIDAY, JULY 11, 2014** to: Maine State Legislature, Office of the Executive Director, 115 State House Station, Augusta, ME 04333-0115 or by email to: [ExecDirector@legislature.maine.gov](mailto:ExecDirector@legislature.maine.gov). The supplemental form is available at [http://www.maine.gov/legis/execdir/job\\_opportunities.htm](http://www.maine.gov/legis/execdir/job_opportunities.htm).
